### **Old Business**

- Old rectifier cases were reviewed. Several cases were closed.

### **New Business**

- Rectifier cases were discussed. For a current list please visit the WV4C web site at [www.wv4c.org](http://www.wv4c.org)
- EQT will be submitting several rectifier cases over the next 3 months as they finish their installation. As the cases are received they will be put on the web.
- The WVNACE scholarship is still available for the upcoming school year if you have a child that is going to a college in WV and will be studying in the engineering or sciences field contact a WVNACE Board member for more information.

### **2011 Meeting Dates**

- **Tuesday September 13<sup>th</sup> 10:00 am** at Cabela's in Wheeling WV. Speaker will be Jack Whitmire with Columbia Gas speaking about Atmospheric Corrosion Mitigation.
- **Tuesday November 8<sup>th</sup> 10:00 am** Annual PSC update with David Hippchen and the Fourth Annual Vendors Meeting. Meeting location to be announced.

### **Presentation**

- The roundtable discussion was about AC Mitigation. Mr. George Krewson started off the round table discussion with the background information on Matcor's mitigator product. The discussion then spread to general AC Mitigation, Safety and Design considerations for the rest of the discussion. Thank you, George, for the primer.
