Plus \$50.00 petty cash on hand

New Business

- The WV4C is also hosting another rectifier class on December 11th and 12th. Space for this class is limited, so sign up early. The cost is \$200 per person and the WV4C can bill your company, but unfortunately, we cannot accept credit card payments. If there is enough interest in the class, we have the option of having two classes that week. We will decide by the November meeting if a second class is necessary. To register for the class, please call or e-mail one of the officers.
- NACE WV will be holding their annual awards meeting at the Bridgeport Country Club on October 25, 2007. A \$1,000 scholarship will be given, as with every year, to an Engineering Student in the Corrosion field.
